Pickleball promoter sees gold in the growing game

By Brady Rhoades

If Orange County bestowed such a title, John Gill would be known as Mr. Pickleball.

Instead, he'll have to settle for champion player and president of the World Pickleball Association.

The native Australian, who moved to the U.S. in 2020, plays, promotes and teaches pickleball in Garden Grove, Westminster, Seal Beach and other Orange County cities as well as Los Angeles and San Diego counties.

"Everyone's happier when they play pickleball," he said.

Gill is busy planning tournaments in Las Vegas and Gardena. Come fall, he's headed back to his motherland for the WPA championships. And he's started teaching pickleball and martial arts at Dignity Health Sports Park in Carson — the home of the LA Galaxy.

You can learn about him and how to better your pickleball game — at John Gill pickleball on YouTube, theworldpickleballassociation.com or info@theworldpickleballassociation.com.

His most watched YouTube post — about 15,000 views — is titled "Maximum Spin." Others include "AVOID INJURIES!", "Mastering the Art of Attack" and "Improve Your Third Shot with This Sneaky Deep Serve."

Gil did not set out to be a pick- of positive energy.

ler. His focus was on martial arts.

He is the current world selfdefense champion and winner of more than 40 martial arts titles, including 26 world championships. He is an 8th Dan-Bo Black belt Master instructor in Hapkido and 7th Dan Blackbelt in Taekwondo.

He was inducted into the Martial Arts Hall of Fame for credits including 2016 and 2017 Hapkido Master of the Year; 2017 Black Belt Competitor of the Year; 2020 Hapkido Master of the Year and Black Belt Self-Defense Competitor of the Year; and 2021, 2022 and 2023 Black Belt Self-Defense Competitor of the Year.

Gill, 62 and a resident of Long Beach, is greatly bothered by domestic violence. That's why he's taught self defense to girls high schools and served as an ambassador for the White Ribbon Foundation for the prevention of violence against women.

His experience in tennis — he's an Australian and Pan Pacific Masters champion — helped him when he picked up pickleball in 2020. Since then, he's won tournaments, including the 2023 WPA World Championship with partner Scott Aquino. He has instructional certificates in both pickleball and tennis.

If you become one of his students, you'll get a steady stream tional videos.

You'll get jokes, too.

"Good, mate," he'll say after a close line shot by an opponent. "An American would have called that out."

When a male player hits a ball into the net, he quips, "Annette's his girlfriend. Don't tell his wife." Not everyone gets that one, but think about it...

One of his biggest success stories is Bill Spradley, who progressed from a 3.5 player to a 4.5 champion — pairing with David Anderson of Long Beach—under Gill's tutelage.

Pickleball is all the rage. According to the Association of Pickleball Professionals, the sport has grown by about 200 percent every year since 2019. About 40 million Americans play regularly. The paddle industry is \$200 million strong and growing.

Why the popularity? It's easy to play (though hard to master). It's good exercise - not too strenuous, but plenty of movement. Instructors are big on warming up. In part because players skip this step, injuries are on the rise, according to a report by NBC News.

The game is, above all, social. Thousands of friendships have been formed since the sport took off during COVID. New buddies create text threads with like-minded players, team up in tournaments and share instruc-

Gill's long-term goal: pickleball fering treatments and resources in the 2032 Olympics in Brisbane, Australia. Will he play? He performs a bit of "dynamic stretching" and thinks about it.

Official's trip to state capital proves productive

He meets with State Senator Janet Nguyen, among others

By David Shawver

I just finished my road trip to Sacramento to talk to our elected representatives, both in the State Assembly and Senate, about public safety in our state and the negative effects their legislation has had on Stanton.

My discussions involving public safety, included a spike in retail theft, violent smash-andgrab robberies, fentanyl deaths, illicit drugs, trespassing, loitering, homelessness and transiency and how these activities have put a strain on our town as well social services creating challenges beyond the capacity of all local governments.

I presented solutions that might help reduce crime, increase emergency service capacity and provide more support to the residents struggling with substance abuse. Two of my top priorities are developing and

supporting legislation that will reform Proposition 47 and SB35.

Here are three important bills that impact Orange County and all our local cities. First is AB2081. This measure would require licensed recovery home operators to tell people seeking care that they can check with the Department of Health Care Services to confirm a facility's compliance with state licensing laws. This ensures that those in treatment are held accountable. Included under this topic David Shawver is the mayor is SB913.

My first visit was with Senator Archuleta. We discussed SB923. This measure would revise Proposition 47 to require a person convicted of petty theft or shoplifting to be punished by one year in county jail if the person has two or more prior convictions for theft-related offenses.

Reducing retail theft, shoplifting and organized retail theft

is a top priority for our city and our community. These criminal activities are adversely impacting small businesses, residents and the local economy.

Early in 2023, State SB357 became a law which repealed the ability to arrest for loitering. This problem has caught the attention of many cities across California because they have experienced

housing relocation and provide state water supply and energy additional low and mod housing for our community.

Sober living homes was another hot topic in Sacramento. I am concerned about the lack of control and monitoring of these types of treatment facilities because the State of California does not do an adequate job of regulating. There is no oversight or reporting system to keep track of what is going on.

Then there is the so called "Taxpayer Protection and Government Accountability Act." This far-reaching measure puts at risk billions of dollars currently dedicated to critical state and local services.

This legislation deprives local governments of the essential revenues such as property taxes and harms our community services. This diminishes our town's local revenue streams for services like police and fire.

Included in my top priorities were to improve public safety in California communities such as Stanton, reduce crime, increase emergency services capacity, support those with substance abuse and oppose Proposition 47.

Our town is recognized statewide for its financial stability, our homeless outreach programs and our innovative ways to enforce our laws. I was the voice of our community and hopefully the legislators that I have had the chance to meet will do the right thing. Their decisions need to make our community safer and return to an era of law and order, not only in Stanton, but in the State of California.

I am pleased to announce that we have a new sheriff in town to protect our community. His We are responsible to provide name is Ryan Pierce, who is our

an increase in the level of prostitution because of the inability to arrest or question individuals that are loitering on our streets.

Specifically, AB2034 would reinstate the crime of loitering with the intent to solicit prostitution and is supported by the City of Stanton and law enforcement agencies up and down the State of California.

I recently had the privilege, as first vice president of the Orange County Division of the League of California Cities, to present my case to support AB2034. I am pleased to report that every representative throughout the State of California supported me in backing the bill.

I also had the opportunity to attend a legislative reception with the CSAC and met with Latino Caucus of California where I represented the Hispanic community of Stanton and had a chance to discuss concerns of our neighborhoods.

My meeting with Senator Umberg was especially important to our town, because he is chairperson of the California State Housing Committee. I hope in the future to work out a process and program to finish our Tina Pacific

government to ensure cities can access the economic tools that strengthen physical sustainability and protect local budgets not take away local finding.

The so-called "Taxpayer Protection and Government Accountability Act" undermines voters' rights, transparency and accountability. The measure will retroactively cancel revenue measures already approved by the voters, again potentially resulting in cuts to fire and emergency response, law enforcement, parks, libraries, affordable housing and support services to those residents in

Finally, I had a chance to meet with our State Senator Janet Nguyen to discuss and review the following priorities for local government. They are safeguarding local revenues and bolstering local economic development, opposing any effort to reduce or eliminate existing funding to cities, developing a state-local much more. partnership to enhance economic development, strengthening Please contact Stanton Commuclimate change resiliency and nity Services at 714-890-4278. disaster preparedness, improving community and infrastructure resiliency plus modernizing the at dshawver1@att.net.

Chief Pierce brings with him a wealth of experience and began his early day patrolling the streets of Stanton as a deputy.

> Our entire public safety team is looking forward to working hand in hand with Chief Pierce and our deputies in making Stanton among the safest communities in Orange County.
